ERIE HIGHLANDS METROPOLITAN DISTRICT NO. 3
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for Weld County, Colorado on November 24, 2013, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Consolidated Service Plan approved by the Town of Erie on September 24, 2013. The District's service area is located entirely within the Town of Erie, Weld County, Colorado.

The District was organized in conjunction with Erie Highlands Metropolitan District No. 1, Erie Highlands Metropolitan District No. 2, Erie Highlands Metropolitan District No. 4, and Erie Highlands Metropolitan District No. 5 (collectively, "the Districts"). The Districts were established to provide financing for the operations and maintenance and planning, design, acquisition, construction, and installation of public improvements, including mosquito elimination and control, fire protection, parks and recreation, traffic and safety control, sanitation services, street improvements, television relay and translator, transportation, water, solid waste disposal, and covenant enforcement. District No. 4 pays all operating expenses for District Nos. 1, 2, 3, 4 and 5. District Nos. 1, 2, 3 and 5 levy ad valorem taxes on taxable properties within each District and transfer such proceeds to District No. 4.

On November 5, 2013, the District's voters authorized total indebtedness of \$60,000,000 for each of the following listed facilities; mosquito elimination and control, parks and recreation, traffic and safety control, sanitation services, street improvements, television relay and translator, transportation, water, and operations and maintenance. Voters also authorized indebtedness of \$60,000,000 for encumbrances on District real and personal property, \$60,000,000 for management agreements, and \$60,000,000 for refunding of debt. Pursuant to the Consolidated Service Plan, each District shall not issue debt in an aggregate amount in excess of \$60,000,000. Additionally, the maximum debt mill levy is 50 mills as adjusted, which shall not be imposed for longer than 40 years after the year of the initial imposition of such debt mill levy. The election also approved an annual increase in property taxes of \$2,000,000 as derived from a maximum mill levy of 20 mills as adjusted, to pay the District's operation and maintenance costs.

In the event the residential assessment ratio changes, on or after January 1st, 2014, the District may increase or decrease the mill levies, (as authorized under the District's Service Plan) so that to the extent possible, the actual tax revenues generated by the mill levies, as adjusted, are neither diminished nor enhanced as a result of such changes. For tax collection year 2024, the maximum mill levy for operations is 20.788 mills.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**ERIE HIGHLANDS METROPOLITAN DISTRICT NO. 3
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%	Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%	Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%	Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%	Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%	State Assessed	27.90%	Lodging	\$30,000
		Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 4% of the property taxes collected.

**ERIE HIGHLANDS METROPOLITAN DISTRICT NO. 3
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative and Operating Expenditures

Operating and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance and meeting expense but are to be incurred and paid by District No. 4.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Transfer to Other Districts

Pursuant to an Intergovernmental Agreement Concerning District Operations, the District is obligated to impose a mill levy which will be sufficient to promptly and fully pay the amounts to be paid under this agreement, as well as all other general obligation indebtedness of the District, as the same become due. The District is required to remit property taxes derived from such mill levy, together with specific ownership taxes applicable to property within the District less County Treasurer Fees, to the Operating District. The District anticipates transferring funds to Erie Highlands Metropolitan District No. 4, as shown in the General Fund budget, for operations under this agreement. Administrative, operating and capital outlay expenditures are paid by District No. 4 on behalf of the District.

Debt and Leases

The District has no operating or capital leases.

Emergency Reserves

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 4, which pays for all Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's 2024 Budget.

This information is an integral part of the accompanying budget.
